

Join NESPOS

NESPOS membership

As a registered user you will have access to digitalized 3D objects (e.g. STL-models, CT-scans and surface scans), the VisiCore Suite and important publications and you may upload, share and publish your research data. To successfully become a NESPOS member you have to follow the steps below:

Download and complete the [membership application](#) form in consideration of the [Articles of the NESPOS Society](#) and send it to

NESPOS Society e.V.
c/o Neanderthal Museum
Talstr. 300
40822 Mettmann
Germany

or fax it to **+49-2104-979796**

Upon receipt your completed form and a formal check of your application you will be sent a confirmation email with preliminary access data. These data enable you to log in and pay the membership fee by using a PayPal form that will be shown below. Reserving due payment you will receive your definite login data that guarantee you the full functionality of NESPOS.
